Agenda BRIDGE General Assembly
28th, 29th and 30th March 2023

- In the next weeks, a complete version of the agenda detailing the structure of each parallel session will be distributed.

2023 BRIDGE General Assembly will run **HYBRID**, with presential and online sessions. Because of space limitations, only **BRIDGE Chairs**, **action and group leaders**, and **one representative per project** are invited to attend physically to the 3-day event. The rest of participants should join online.

Day 1: Plenary (28th March)

12:00 – 12:15	**Welcome & presentation of the agenda** – BRIDGE Secretariat / George Paunescu – Policy Officer ENER.B5 - Innovation, Research, Digitalisation, Competitiveness
12:15 – 12:30	**Keynote speech** – DG ENER Directorate B - Just Transition, Consumers, Energy Efficiency and Innovation
12:30 – 13:30	**Plenary 1 – Presentation of 2022 actions by Working Groups** WG Regulation (Helena Gerard – Chair) WG Data Management (Olivier Genest – Chair) WG Consumer and Citizen Engagement (Johanna Höffken – Chair) WG Business Models (Christina Papadimitriou – Chair)
13:30 – 14:30	Lunch Break
14:30 – 14:50	**Plenary 2: Policy Update –** Digitalisation of Energy Action Plan (DG ENER); EU competitiveness of clean energy technologies
14:50-15:20	**Plenary 3: Smart Grid task force**
15:20 – 15:45	Coffee Break
15:45 – 16:15	**Plenary 4**: **Completed BRIDGE Projects:** 6 projects presenting: 1) their key exploitable results and benefits from BRIDGE 2) recommendations to new/ongoing projects <table><tr><td>**E-LAND– 5 min**</td><td>Minna kuivalainen</td></tr><tr><td>**IElextrix – 5 min**</td><td>Pierre-Jacques LE QUELLEC</td></tr><tr><td>**MUSEGRIDS – 5 min**</td><td>Fabiola Roccatagliata</td></tr><tr><td>**MERLON – 5 min**</td><td>Antonis Papanikolaou</td></tr><tr><td>**COORDINET – 5 min**</td><td>TBD</td></tr><tr><td>**COMPILE – 5 min**</td><td>Tomi Medved</td></tr></table>
16:15-16:30	**Plenary 5 : ETIP Smart Networks for Energy Transition** - Presentation on the EU platform's current work and link to BRIDGE. The objective of this session is to strengthen the interaction between the two initiatives, to identify synergies and to optimise resources
16:30 – 16:45	**Plenary 6: Presentation on the Digital Twin –** ENTSO-E & EU DSO – Digital Twin Task Force
16:45 – 17:00	**Plenary 7: Presentation of the Clean Energy Transition Partnership (CETP)** - Presentation of the CEPT initiative and latest updates.

Day 2: Focus Topic and Parallel Sessions (29th March)

09:00 – 10:30	**Focus Topic** – Setting up a common European data space for energy	
10:30 – 10:45	Coffee Break	
10:45 – 13:00	**Parallel session 1** **REGULATION WG**	**Parallel session 2** **CONSUMER AND CITIZEN ENGAGEMENT WG**
13:00 – 14:00	Lunch Break	
14:00 – 16:00	**Parallel session 4** **DATA MANAGEMENT WG**	**Parallel sesión 5** **BUSINESS MODELS WG**

09:00 – 10:30	**FOCUS TOPIC – Setting up a common European data space for energy** This session will be focused on presenting the concept and discussing the way forward on the common EU data space for energy. The EC will introduce the topic and the main policy elements. A group of Horizon Europe projects, which aim to demonstrate energy data spaces and ensure interoperability, will present the deliverables and actions they propose. The BRIDGE Working Groups (WGs) will have the opportunity to present their views, relevant findings from their work and recommendations for future developments. The session will also aim at defining a consensus on the way forward and how the BRIDGE community could support it.
10:30 – 10:45	Coffee Break
10:45 – 13:00	**Parallel Session 1 – REGULATION WG –** The session will focus on the WG activities tackled during 2022 and a discussion on the new topics and priorities to address in the 2023-2024 period. To perform the work, the main conclusions of the 2022 report and the outcomes of the 4 actions that have been developed in 2022 will be presented. MARKET DESING CONSULTATION; DEMAND RESPONSE guidelines…, ACER
10:45 – 13:00	**Parallel Session 2 – CONSUMER & CITIZEN ENGAGEMENT WG -** The session will focus on discussing ongoing activities throughout the period 2022-2023 and pave the way forward. The tasks' outcomes so far will unfold, and interactive discussions will take place with projects to identify any gaps and good practices. This parallel session will be starting point of more online workshops that will follow to promote projects collaboration and finalize the report of 2022-2023 period.
13:00 – 14:00	Lunch Break
14:00 – 16:00	**Parallel Session 3 – DATA MANAGEMENT WG –** The session will present and exchange the preliminary Data Management WG results, its learnings, and potential recommendations. The discussion will allow the WG to define the next steps for the 2023-2024 period preparation considering those recommendations.
14:00 – 16:00	**Parallel Session 4- BUSINESS MODELS –** The session will focus on the WG activities tackled during 2022 and discussion on the new topics for 2023. It will also aim at identifying topics for the 2023 reports. In addition, a specific discussion on the regulatory sandboxes and how those could help scaling up and deploying the solutions demonstrated by projects.

Day 3 Morning: Plenary (30th March)

09:00 – 09:05	**Welcome & Introduction - EC**
09:05 – 09:30	**Plenary 8**: **Completed BRIDGE Projects: 6** projects presenting: 1) their key exploitable results and benefits from BRIDGE 2) recommendations to new/ongoing projects _(see sub-table below)_
09:30 – 09:50	**Plenary 9**: **International Cooperation** – International engagement on smart grids (ISGAN etc.) – How can we work smarter together.
09:50 – 10:05	**Plenary 10: 2ZERO Partnership** – Presentation of the 2ZERO partnership and latest updates – Lucie Beaumel EGVIA
10:05 – 10:20	**Plenary 11: Joint Communication** Latest updates on actions related to BRIDGE digital infrastructure and future events.
10:20-10:45	Coffee break
10:45 – 11:45	**Plenary 12: Outcome of the discussions on the parallel sessions** Presentation of key results of the sessions and discussion on follow-up. Presentation on next steps and possible new topics to be addressed.
11:45-12:00	**Conclusions and Closing -** Mark van Stiphout - Deputy Head of Unit ENER.B5 Innovation, Research, Digitalisation, Competitiveness
12:00	End of the BRIDGE General Assembly 2023

Sub-table for Plenary 8 (09:05 – 09:30):

FLEXGRID– 5 min	Makris Prodromos
FlexPlan – 5 min	Gianluigi Migliavacca
INTERFACE – 5 min	George Boultadakis
OSMOSE – 5 min	Nathalie Grisey
PARITY – 5 min	Zikos Stylianos
PHOENIX – 5 min	BHATTI Ghasan
SDN-MICROSENSE	TBD
